

On Behalf of the Faculty and Staff of Bataille Academie.....

*Welcome Dancers and Parents to our
2010-2011 Dance Program!*

Why Bataille Academie?

In 1969, Bataille Academie opened under the direction of Leona Bataille who had studied dance with renowned dance masters since 1914. Mrs. Bataille committed herself to teaching her love of dance until her retirement in 1988 at which time, former student Dee Dee Gallagher-Johnson took over the studio. Since then, several former students have also returned to teach their love of dance at Bataille Academie.

Bataille Academie of the Danse is recognized for its strong commitment to the development and growth of the complete dancer through love, discipline, nurturing, and dedication. We offer professional, quality training conducive to stimulating our students' interest in dance. Through dance, our students receive encouragement, raise self esteem, and continue to develop well-rounded personalities. Many of our students have received prestigious scholarships, participated in chaperoned trips to New York City, competed and attended dance workshops with well-known instructors. Students have been invited to perform at Walt Disney World, Six Flags Great America, Navy Pier, the American Cancer Society's Walk and Roll community and charity events.

The most important attribute of our studio, however, is the students. They are hard working, dedicated and committed to the joy of dance. We currently offer classes at beginning through professional levels in Ballet, Tap, Jazz, Pointe, Acrobatics and Creative Movement. We also offer classes in Hip Hop and "Boys Only" jazz and tap classes, modern, lyrical classes, and partnering.
