

Integrity Dance Project

Integrity Dance Project is a concert level dance opportunity. IDP offers dancers access to work with professional choreographers and develop pieces to be performed in concert and community venues. IDP challenges each dancers skills, and their spirit was well. IDP reaches out to the community, embraces opportunity for change, and fulfills the dancer in and out of the classroom. Members are currently assisting in the “Shining Stars” curriculum, a dance class for dancers with Down’s syndrome and performance with The Barrington Area Ministerial Association. IDP is in residence at Bataille Academie of the Danse in Barrington, IL.

IDP will not only challenge the dancer but the dancers’ spirit as well. IDP will reach out to community, embrace opportunity for change, and fulfill the dancer in and out of the classroom. The company style will be based in classical jazz and modern.

Dancers may make the company, but will need to be selected by a choreographer in order to dance in his or her piece. All members are guaranteed two performance pieces per year.

Most dances will include understudies. Apprenticeship will be decided on by the director.

There may be structured technical warm up every week with the director or equivalent instructor, followed by choreography/rehearsal. Dancers will be focusing on stretching, flexibility and technique during the class session on Saturdays or choreography depending on the day

All dancers will be required to take 4 core classes and or DC at Bataille Academie of the Danse.

All dancers will be required to be at the Saturday scheduled warm up time as well as the choreography/rehearsal sessions for their pieces. If you are not participating in a piece on a particular day, you are excused after the regular company class.

The fees are \$750.00 per year.

These fees will cover choreographers, rehearsals, Saturday classes, costumes and productions.

All members will participate in the “Shining Stars” class which will take place on Saturdays from 12:15-1:00pm. Please remember that times might vary due to needed rehearsals.

We currently have 2 performances for IDP, The Barrington Area Ministerial Assoc. Martin Luther King Tribute and Mano a Mano slated as opportunities. We are currently working on a concert venue for late January 2011. IDP will perform selected pieces in the Bataille Spring Show.

Eligible dancers include advanced level 7th graders and up.
